Our Vision

In its 2nd phase of development, MSM's vision is to become a regional centre of learning for church music and liturgical studies.

Ministry & Scholarship Fund

The purpose of the Fund is to support our ministry and provide scholarships for deserving and needy students:

- Master of Theological Studies in Worship/Liturgy and Church Music (MTS) programme
- Children of full-time Christian workers
- Talented students who would have to forego music education due to financial hardship

Children's Music Ministry

Our music education program focuses on developing a child's spiritual maturity, musical and social skills, creativity and self-expression through singing and ensemble playing.

Our Programmes

The Visiting Professor Program

under the MTS degree in Worship/Liturgy and Church Music features distinguished international scholars and clinicians to supplement our current faculty

Church Music Encounter Workshops/Symposiums are organized regularly for pastors, worship leaders, church musicians and lay people to build and apply their skills in the music ministry.

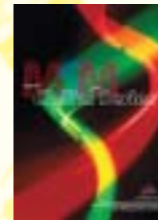

Concerts/Festivals

We strive to provide a supportive and conducive environment in the pursuit of excellence in music education and performance. Our faculty and students are constantly encouraged to refine their musical and performance skills through public concerts.

MSM Library & Church Music Resource Centre

This is an essential facility to meet the needs of the MTS degree programme and the worship and music needs of churches. We need to constantly acquire and update our resources.

Publications & Research

MSM extends its resources to encourage composition and scholarship in areas pertaining to worship and liturgy, congregational song and choral literature.

Mission/Outreach

We encourage our teachers to reach out beyond our shores. At BBLC (Boys' Brigade Learning Centre) in Siem Reap, Cambodia, MSM is helping to establish a music programme for the youths and children.
